

**Bid Round 66**  
**Sharon Hornby's-Jimmy's Gas N Go (Former)**  
**Commerce # 53585-0468-26**

Question: The site conditions have changed for each site in the Village of Sharon. Are these projects still going to be bid in Bid Round 66?

Answer: Yes, but because current site conditions are unknown, the Site Status Report for each site will be critical to determine if adjustments will be needed to the scope of work. Both projects shall pause upon completion of said reports so budgets and possible adjustment of the scope of work can be made. Activities shall not proceed beyond the Site Status Report without an approval from PECFA.

Please submit the Revised 2<sup>nd</sup> Page per below for bid evaluation.

**BID RESPONSE – BID ROUND 66****(Revised 2<sup>nd</sup> Page)**

Department of Commerce PECFA Program

**Site Name: Hornby's/Former Jimmy's Gas 'N' Go****Commerce #: 53585-0468-26-A****BRRTS #: 03-65-175038****Consulting Firm Name:** \_\_\_\_\_
